# ABOUT US

## THE ONLY PLACE TO GET YOUR FIRST-PLACE.

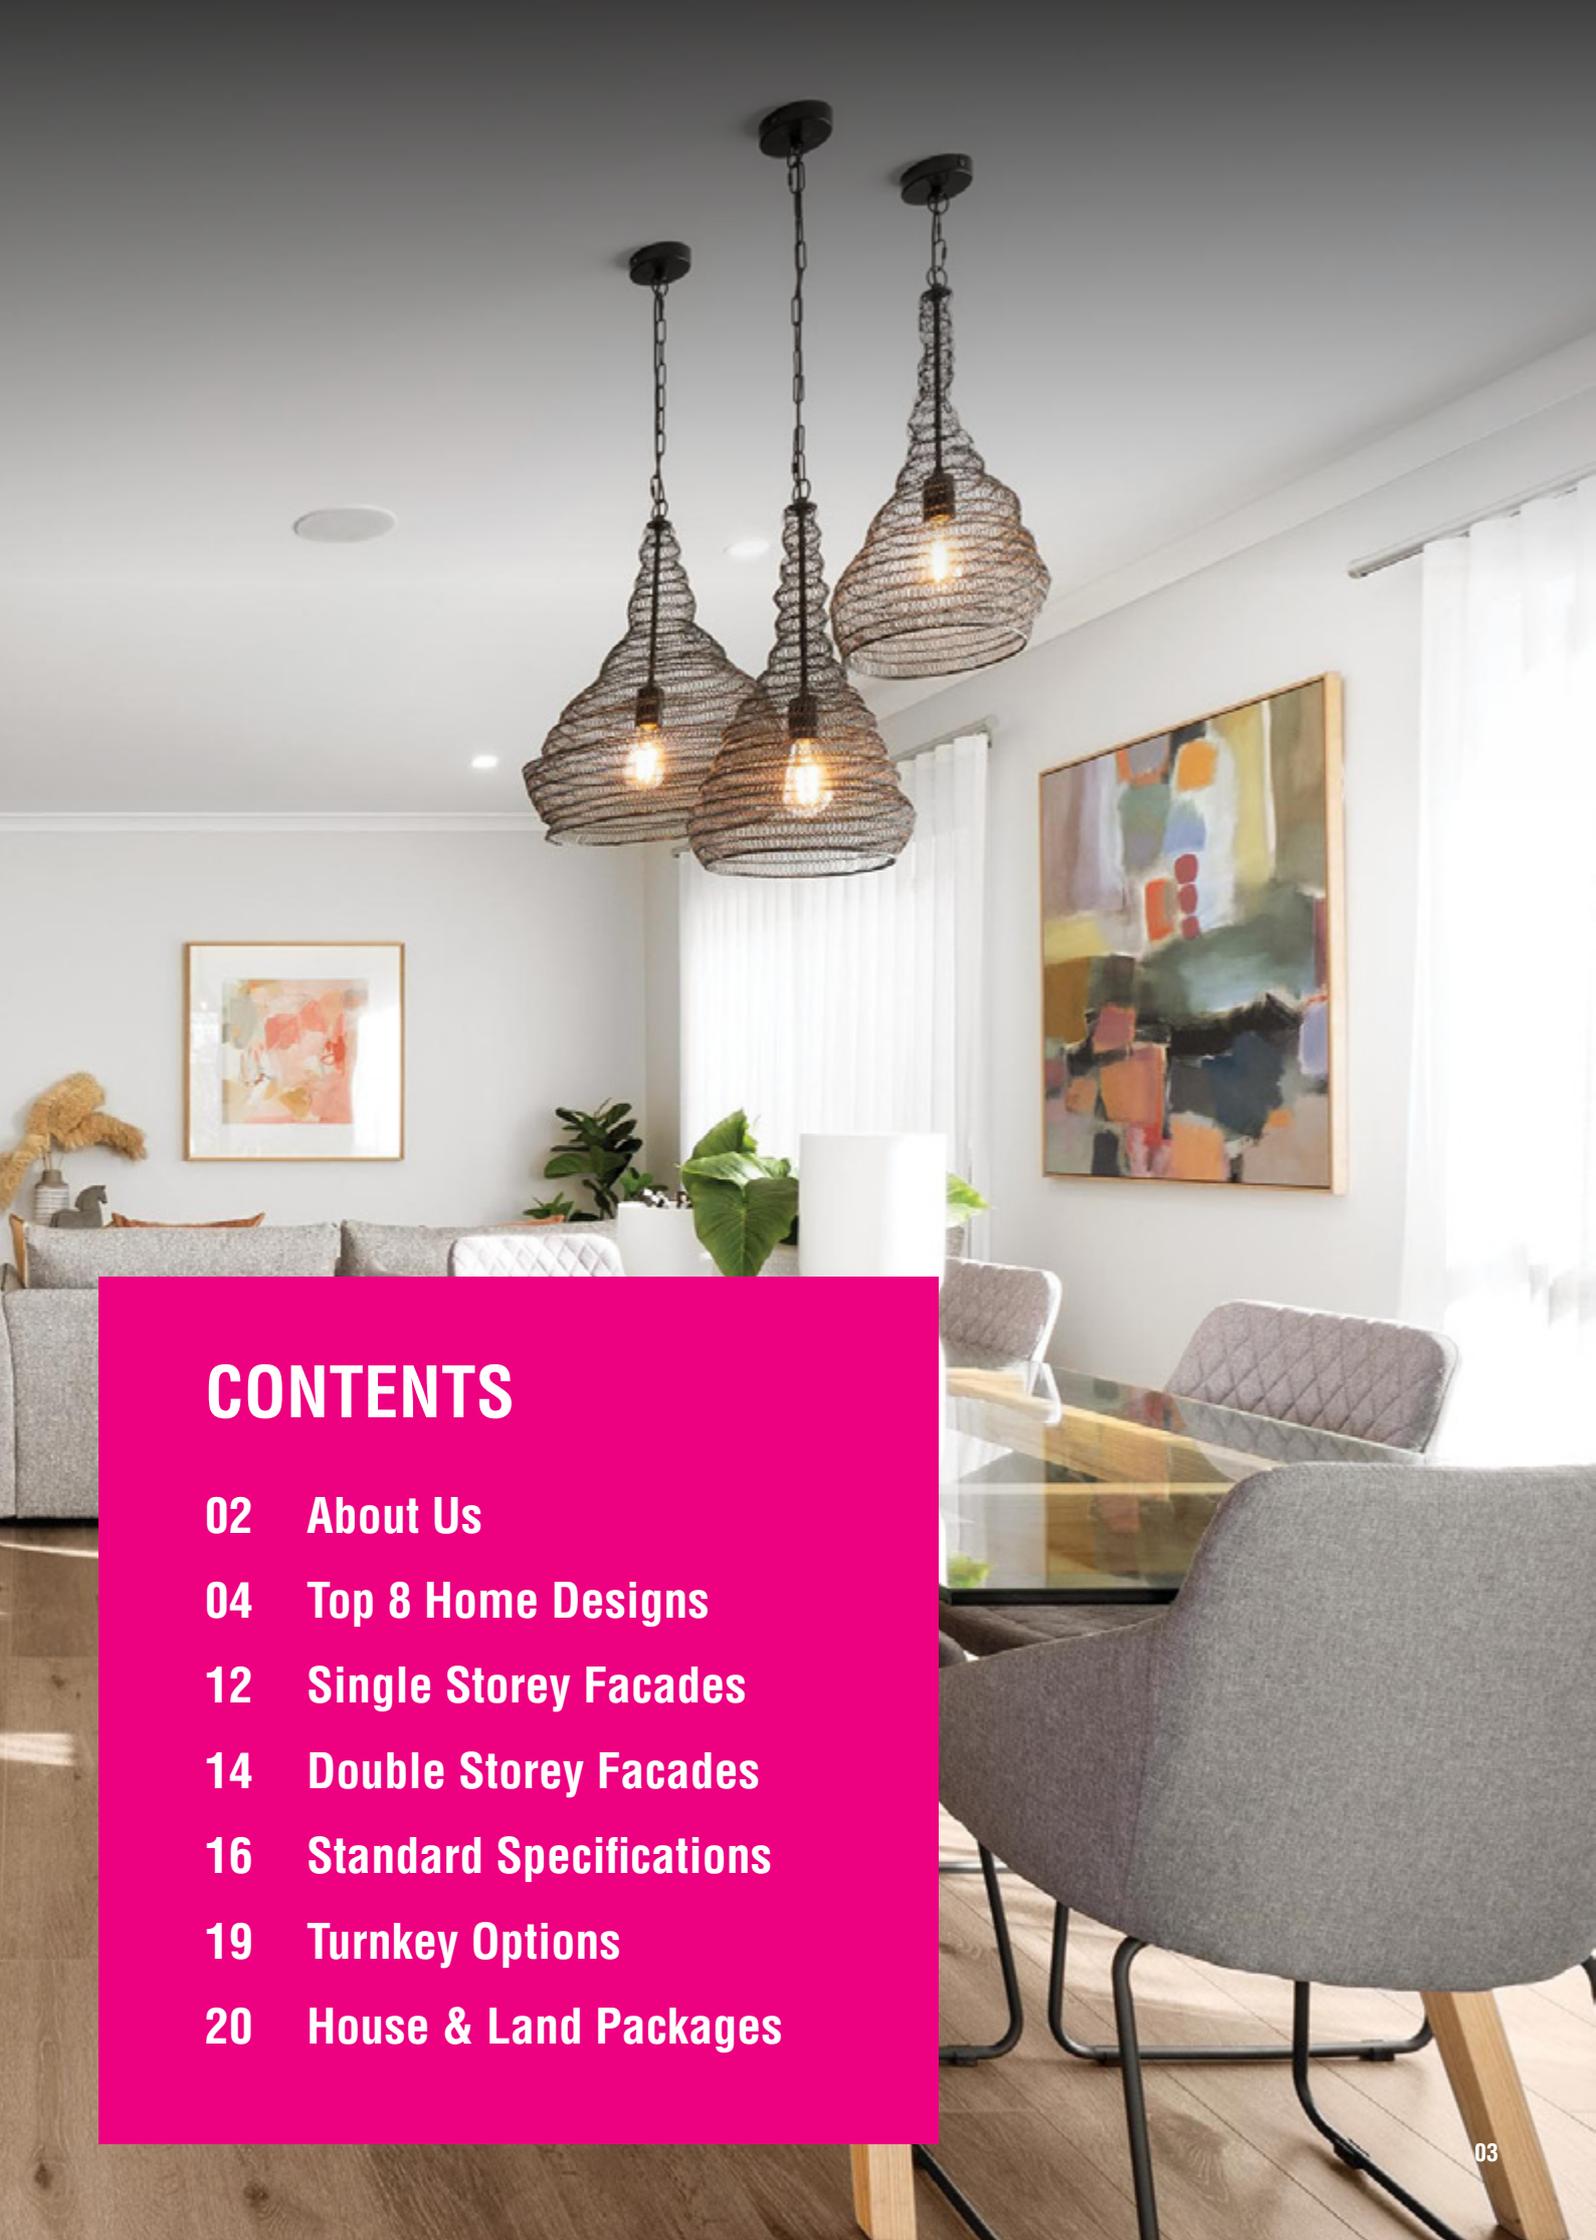

Building your first home or investment property is a big decision — it might be the single biggest investment you've made in your life.

So you want to do everything you can to get it right. At First-Place, we get where you're coming from — between us we've got over 40 years of experience building homes.

We've seen it all. We know what works and what doesn't, and we've worked hard to focus on what matters and keep our prices sharp. Here at First-Place, we're about great homes, delivered on time and with no surprises.

Our complete house and land packages have been carefully designed to offer everything you need, or you can get creative and customise the details that will make your house a home. All our costs are upfront and crystal clear, none of the usual tricky sales tactics. In fact, we'll be with you every step of the way — from design and consultation, through to building, sign off and handing over the keys. At First-Place you're our number one priority.
